

Philmont 2012 Council Shoulder Patch - For Sale by Preorder

This fully-embroidered special Philmont 2012 CSP features Philmont's new Gateway at the Camping Headquarters Welcome Center. This new Gateway was recently installed, put to the left of the entrance drive to replace the one knocked down in late 2009 by a bus. The Tooth of Time, Philmont's most famous landmark, and winter scene of Tooth Ridge are in the background. The Philmont trademark bull, with the cattle brand ghosted on its hindquarter, is on the right. The radiant violet on the ridge, along with bronze metallic thread for the fleur-de-lis and border, enhance the overall brilliance and special nature of this patch.

Patches are being sold on a preorder basis at \$5.00 each (plus postage) in any quantity desired. They are for uniform wear for 2012 participants in any Philmont program, and for patch collecting and trading.

Preorders will be accepted through March 9, 2012, at the Council Service Center, 1410 E. Seventh St., Charlotte, NC 28204. Payment must accompany all preorders. Make checks payable to "Mecklenburg County Council, BSA" and mark "for Philmont 2012 CSP." Patches will be available for distribution in late April. Orders that include the postage fee noted below will be mailed. All other orders must be picked up at the Council Service Center when notified.
