These fully-embroidered special Philmont 2019 & 2018 CSPs feature the U.S. Coast & Geodetic Survey Reference Benchmark at the summit of Baldy Mountain, Philmont's highest peak, and at the top of the Tooth of Time, Philmont's most famous landmark. They include Philmont's trademark bull, with the cattle brand ghosted on its hindquarter, and on the 2019 CSP is a fireman's badge to honor the heroic efforts of the many dedicated fire crews and volunteers who battled the 2018 Ute Park Fire and are involved in the ongoing recovery efforts. The 2018 CSP has an outline of the Philmont Arrowhead, using platinum colored metallic thread, that recognizes the 80th anniversary of the Ranch. These two CSPs are the first and second of a Mecklenburg County Council PSR Benchmark Series® that features important Survey Benchmarks of special significance at Philmont.
